# Deliverable 138.1.4 Status

## Individual Document Status for Deliverable 138.1.4

This status report demonstrates the support provided by the Integration Partner team in successfully completing this deliverable. All documents that are part of this deliverable were created and revised through core team meetings, individual FSA counterpart meetings, and FSA counterpart reviews.

| Document | Description | Final Submittal Date |
|---|---|---|
| CSB Pre-Proposal Conference Presentation | This document is the final presentation given to prospective bidders during the Pre-Proposal Conference held on May 2, 2003. This presentation was created, reviewed, and revised after numerous meetings between Integration Partner team members and FSA counterparts. | 06/13/03 |
| CSB Vendor Questions Database | The CSB Vendor Questions database is the central repository of all the questions received from prospective offerors. This database contains the answers to these questions. With this deliverable, the database has been delivered on a CD with supporting documentation including a report of the status of all issues. The Integration Partner team maintained a master copy of the database; gathered and classified the questions received, compiled the responses to the questions, helped with the wording of some of the responses, and managed the vendor question and answer process with FSA. | 06/13/03 |
| Negotiation Checklist | The Negotiation Checklist is a list of possible negotiation items to be discussed with the selected vendor(s). This checklist is based on discussions held during the Core Team meetings that have been recorded in the meeting minutes. This checklist was created through a detailed review of all of the Core Team meeting minutes. | 06/13/03 |
